FLOORING & PANELING

Circle Sawn Pine

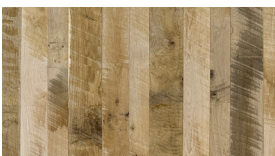

Tongue and groove, random length, random width (3", 4", 5"), micro beveled edge, square end matched, 50/50 sanding. This can be flooring, wall paneling, and ceiling paneling. This also comes in random length, 6" width.

Weathered Circle Sawn Pine

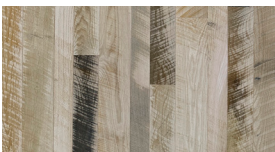

Tongue and groove, random length, 2-1/4", 3", 5" width, square edge. Choose to have it a light sanding or not at all. While supplies last. This is wall paneling and ceiling paneling, not flooring.

Circle Sawn White Oak

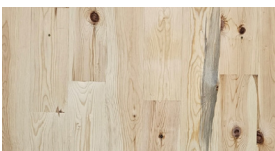

Tongue and groove, random length, random width (3", 4", 5"), micro beveled edge, square end matched, 50/50 sanding. This can be flooring, wall paneling, and ceiling paneling.

Circle Sawn Red Oak

Tongue and groove, random length, random width (3", 4", 5"), micro beveled edge, square end matched, 50/50 sanding. This can be flooring, wall paneling, and ceiling paneling.

Smooth Pine

Tongue and groove, random length, 6" width, Miro beveled edge, square end matched. This can be flooring, wall paneling, and ceiling paneling.

Additional Species:

Alder, Aspen, Birch, Cherry, Hickory, Maple, Walnut.

FIREPLACE MANTELS

Circle sawn pine with a variety of styles and finishes available.

PINE BOX BEAMS

Circle sawn, band sawn or smooth. Four, three, or two sided.

TONGUE & GROOVE

Our pine tongue and groove product is perfect for siding, decking, or bringing character and warmth to any project. Large quantities available.
